Dear Applicant:

Philadelphia College of Osteopathic Medicine is proud and excited to announce our new Pharmacy program at Georgia Campus – PCOM! The School of Pharmacy is a welcome addition to our campus in Suwanee, Georgia joining the community of osteopathic medical students, research students, faculty and staff. Pharmacists are one of the most trusted members of the health care community, and we are pleased to be able to offer the PharmD program.

The PCOM School of Pharmacy – Georgia Campus is proceeding with plans to enroll its first class for Fall 2010 and has opened the student application process in anticipation of opening according to plan. PCOM has secured approvals from the Pennsylvania Department of Education, the Middle States Commission on Higher Education, and the Nonpublic Postsecondary Education Commission of Georgia. In order to open as scheduled, the school must also attain pre-candidate status from the Accreditation Council for Pharmacy Education.

Philadelphia College of Osteopathic Medicine's Doctor of Pharmacy program has applied for accreditation status by the Accreditation Council for Pharmacy Education, 20 North Clark Street, Suite 2500, Chicago, IL 60602-5109, 312-644-3575; fax 312-664-4652, web site www.acpe-accredit.org. For an explanation of ACPE accreditation process, consult the Office of the Dean or ACPE (www.acpe-accredit.org).

Attached is our application for the inaugural PharmD class with the anticipated opening in August, 2010. We expect to begin to conduct interviews very soon. Additional information can be found on the web at www.pcom.edu.

If you have any questions, please feel free to contact me at 678-407-7340. We look forward to receiving your application and thank you for your interest in the PCOM School of Pharmacy – Georgia Campus.

Sincerely,

Mark Okamoto, PharmD
Dean

License Eligibility

The license requirements for pharmacists and pharmacy interns vary by state and it is recommended that applicants inquire with the board of pharmacy in the state where they intend to practice if they have any questions. In general, in order to take the pharmacist licensure examination, boards of pharmacy will require successful completion of the requirements for the Doctor of Pharmacy degree from an accredited institution and complete a certain number of hours as a pharmacy intern. In Georgia, applicants for pharmacist licensure must be at least 18 years of age, have graduated from an approved school of pharmacy and have completed 1,500 hours of internship under the supervision of a registered pharmacist. Schools of pharmacy in Georgia allow students to claim credit for 1,000 hours obtained during experiential rotations and the student is required to obtain 500 additional hours on their own as a licensed pharmacy intern.

An applicant may register with the Georgia Board of Pharmacy as a pharmacy intern if they are registered in an accredited school/college of pharmacy. All students at the PCOM School of Pharmacy – Georgia Campus will be required to obtain their Georgia intern license during the first semester and the school will assist with the application process. Any applicant with a history of substance abuse, a previous felony conviction or other issue that would be revealed in a criminal background check is advised to consult with the state board of pharmacy in Georgia prior to matriculation in the school (Georgia State Board of Pharmacy phone number is 478-207-2440). Any charges resulting from criminal or civil actions should also be disclosed to the state board of pharmacy. Students wishing to gain intern experience outside of the state of Georgia are advised to contact the board of pharmacy in that state to determine the requirements for intern/pharmacist licensure. PCOM School of Pharmacy – Georgia Campus has no authority to determine eligibility of licensure for any intern or pharmacist in any state.

Please include information regarding personal and career goals, dedication to human concerns, ability to interact effectively and why you are interested in PCOM School of Pharmacy – Georgia Campus.

Policy of Fairness and Equal Opportunity

Philadelphia College of Osteopathic Medicine and its branch campus subscribe to the principles and laws of the Commonwealth of Pennsylvania and the federal government pertaining to civil rights and equal opportunity, including Title IX of the 1972 Education Amendments and section 504 of the Rehabilitation Act of 1973.

PCOM policy prohibits discrimination on the basis of age, race, color, national or ethnic origin, sex, sexual preference, religion, disability or marital status. This policy applies in recruitment and admission of students, employment of faculty and staff and scholarship and loan programs. This policy is also followed in the operation of all other programs, activities and services of the College.

Evidence of practices inconsistent with this policy should be reported to the Director of Human Resources, who is the designated coordinator of PCOM's nondiscrimination program. Inquiries regarding compliance with the sex discrimination provisions of Title IX may also be directed to the Assistant Secretary for Civil Rights, Department of Education, Washington, DC. At the state level, one can contact the State Human Relations Commission, Harrisburg, Pennsylvania.
