Continuing their outstanding philanthropic support of Philadelphia College of Osteopathic Medicine, Michael Saltzburg, DO '77, and wife, Wendy, made a \$225,000 donation that launched the new "Introduction to Clerkships (I2C)" course. Offered to osteopathic medical students beginning their third year in clinical education, and strategically positioned after national board completion, the I2C course rotates students through a month of clinical exercises. The course relies heavily on the simulation center, prepped surrogates and PCOM faculty. With this specialized training, the PCOM osteopathic medical student will be well prepared for the start of clinical rotations and pose an extremely potent competitor for coveted Graduate Medical Education positions.

The course makes heavy use of the Dr. Michael and Wendy Saltzburg Clinical Learning & Assessment Center—funded by the Saltzburgs last year. The Saltzburgs are the parents of Lauren Saltzburg, DO '15/MBA, who earned a combined degree in osteopathic medicine/healthcare administration and is currently doing post-graduate training in family medicine at Mercy Suburban Hospital in Norristown, Pennsylvania.

The Phi Sigma Gamma Medical Society generously donated \$250,000 to the College as a result of the sale of the Society's house at Walnut Lane in Philadelphia. A gift of \$150,000 named the Emergency Treatment/Simulation Multi-Plex room in the Dr. Michael and Wendy Saltzburg Clinical Learning & Assessment Center, and a contribution of \$100,000 created the Phi Sigma Gamma Medical Society Scholarship.

Dr. and Mrs. Kornberg fulfilled their scholarship pledge this year with a gift of \$10,000.

Lisa McBride, PhD, chief diversity officer, contributed a lead gift of \$10,000 to create the GA-PCOM Student Award Fund. The lead gift was matched by gifts from faculty and staff and continues to grow in an effort to support future students.

Ronald Pieringer, PhD, contributed a gift of \$13,000 to his late wife's scholarship, The Joanne Pieringer, PhD Memorial Scholarship. Dr. Joanne Pieringer was a much-loved teacher in the College's biochemistry course for many years.

Murray Zedeck, DO '62, continues to support his lectureship series with gifts totaling \$10,000 to the Benjamin and Sarah Zedeck Medical Humanities Lectureship Series. The series brings renowned speakers to campus for the educational benefit of our students.

FOUNDATION AND CORPORATE SUPPORT

The Alumni Association of PCOM made a generous gift of \$35,000 to benefit the PCOM Living-Learning Center in Sewickley, Pennsylvania, by naming one of the ten student rooms. The Center provides housing for students doing clinical clerkships in the area. The Association also provided additional support to the Alumni Association Scholarship, providing students with tuition assistance.

Area VII Physicians Review Org, Inc. generously gave \$10,000 to benefit the Food Allergy Research Initiative (FARI).

Independence Blue Cross Foundation Blue Safety Net Grant provided a \$50,000 gift to the College to benefit a Healthcare Center project focused on enhancing primary care for patients visiting PCOM Healthcare Center – Lancaster Avenue Division.

DO STUDENT SCHOLARSHIP FUND

Through mailings and the annual phonathon calling program, the DO Student Scholarship fund raised \$174,779 from 922 alumni. This fund provides essential financial aid for osteopathic medical students on both campuses. Half of these funds are distributed for immediate use and the other half is deposited into the DO Student Scholarship Trust Fund to be used in the future.

1899 SOCIETY

Three new alumni each made contributions during the 2014-2015 year to exceed \$50,000 in cumulative giving. In recognition of this distinction, Ronald R. Blanck, DO '67; Joanne E. Hullings, DO '96; and Gary F. Kolarik, DO '89, will be admitted to the 1899 Society at the President's Leadership Reception. Named for the year the College was founded, the 1899 Society distinguishes those individuals who have made gifts amounting to \$50,000 or more since 1980, when donor records were first computerized. Current membership numbers 77.

PLANNED GIVING

Trusts and bequests by alumni and friends continue to be an important and significant source of support for the College. The Andrew Taylor Still Legacy Society recognizes donors who name the College as a beneficiary of their will, living trust, charitable remainder trust, charitable lead trust, life insurance policy or charitable gift annuity. These gifts are investments in PCOM, preserving the College's preeminent programs and creating extraordinary opportunities in didactic and clinical education; providing student financial aid and scholarships; enhancing student services; supporting research; and extending healthcare and community service.

This past year, PCOM received distributions from the estates of Ruth Tozer Bixby; Jane Morris, DO '46; and William B. Selnick, DO '52, all to the Fund for PCOM, the College's Annual Fund Campaign. The College also received notification from Charles P. Freidrich, DO '60, and the estate of Martha E. Shields, DO '39, that PCOM has been included in their estate plans.

GOLF CLASSIC

On September 15, 2014, PCOM held the 22nd Annual Golf Classic, Title Sponsored by Independence Blue Cross, at White-marsh Valley Country Club in Lafayette Hill, Pennsylvania.

Through the Golf Classic, over \$98,000 was raised for the PCOM Healthcare Centers. These funds will provide critical health services to underserved and at-risk populations in North and West Philadelphia, Roxborough, Wynnefield Heights, and Laporte, Pennsylvania, in rural Sullivan County. Many families who visit the Centers are underinsured and, with few healthcare options available, they depend on the Centers for essential medical and mental health needs. Everyone who participated in the golf outing made a difference in the lives of these families.

Thank you to all who attended the Golf Classic, to those who volunteered, and to those sponsors and in-kind donor. Special thanks to Golf Chair James Bonner, DO '86; Title Sponsor Independence Blue Cross; and Platinum Sponsors Arthur Jackson Company, Blank Rome LLP, and the Karen and Herbert Lotman Foundation.

ANDREW TAYLOR STILL LEGACY SOCIETY

Named in honor of the "father of osteopathic medicine," PCOM's Andrew Taylor Still Legacy Society recognizes those who have made gift provisions for the College in their estate plans. The simplest and most common planned gift is through a will or bequest; however, there are several estate plan vehicles. Each is as unique as the donor—often enabling donors to contribute more than they thought possible and to enjoy the satisfaction of giving while increasing their personal tax refund or reducing taxes they would otherwise owe come

April 15. Charitable gift annuities, remainder trusts and lead trusts offer donors the added benefits of a life-income option and considerable flexibility to estate and tax planning. Naming PCOM as owner and beneficiary of a life insurance policy may be advantageous in carrying out the donor's philanthropic and personal goals. The same can be said for designating the College as either a primary or contingent beneficiary of an IRA, 401(k), 403(b), Keogh or other retirement account. Donors will avoid significant income and estate tax liability.

BECOMING A MEMBER

If you have already made a planned gift provision for PCOM and have not yet notified the College, please consider letting us know so that we may include you as a member of the Andrew Taylor Still Legacy Society. We would like to thank you for your meaningful gift and acknowledge your participation in publications. This may encourage others to review their estate plans and inspire individuals to make a lasting legacy for future generations at Philadelphia College of Osteopathic Medicine. Andrew Taylor Still Legacy Society members are also invited to the annual reception of the President's Leadership Circle. PCOM's Institutional Advancement staff is available to help donors find and, in cooperation with the appropriate advisors, construct the best plan for all concerned.

WE THANK THE ALUMNI AND FRIENDS WHO HAVE GENEROUSLY PROVIDED FOR THE FUTURE SUPPORT OF PHILADELPHIA COLLEGE OF OSTEOPATHIC MEDICINE THROUGH PLANNED GIVING. THESE BENEFAC-TORS RECOGNIZE THAT PCOM'S COMMITMENT TO QUALITY EDUCATION, PATIENT CARE, SCIENTIFIC RESEARCH AND COMMUNITY SERVICE REQUIRES ENDURING SUPPORT.
