CONTINUING MEDICAL EDUCATION
FEBRUARY 29 – MARCH 3, 2016
ROWLAND HALL – ROOM 340 A – 4190 CITY AVENUE, PHILADELPHIA, PA

ADVANCED EMERGENCY MEDICINE
JOHN W. BECHER, DO, FACOEP-D, FAAEM – PROGRAM CHAIRMAN

OBJECTIVE
Upon completion of this program, participants will acquire an updated understanding of current diagnosis, intervention and treatment of medical circumstances arising from pediatric disorders including asthma, head trauma, child abuse, fractures, challenging acute presentations, unusual presentations, and analgesia and sedation and issues related to prescription drug abuse, emergency medicine myths, aging emergency physicians, the geriatric emergency department, and ETCO2 monitoring for procedural sedation will be presented. Additionally ED management of non-traumatic paralysis, toxin-induced seizures, poison-induced neurologic disease, atypical neurologic presentations, cardiovascular disasters and complications in pregnancy, complications of aesthetics and advanced airway interventions will be discussed. Additional presentations will include risk management topics related to ED documentation, TPA intervention, the impact of fast alert protocol, emergency medicine career planning and challenging cases from current emergency medicine practice.

CONTINUING EDUCATION CREDIT
Physicians: “The Philadelphia College of Osteopathic Medicine has requested that the AOA Council on Continuing Medical Education approve this program for twenty-eight hours of AOA Category 1-A CME credits. Approval is currently pending." Program approved by the American College of Osteopathic Emergency Physicians. Sign-in and full day attendance of program required for credit. All faculty participating in continuing medical education programs sponsored by PCOM are expected to disclose to the program audience whether they do or do not have any real or apparent conflict(s) of interest or other relationships related to the content of their presentation(s).

PARKING
On-campus parking is available in our garage; please enter on Stout Road. All-day parking is $5.00. PLEASE NOTE: the automated gate takes quarters or one, five, ten, and twenty dollar bills. The garage is now equipped to receive credit card payments (Visa, Master Card and Discover) at the two exit gates. Additionally, receipts are now available for those paying by cash or credit card. Enter Evans Hall through the front entrance across from the parking garage.

FEE POLICIES
Tuition Fee of $760.00 for Physicians. Individual days from Mon-Thurs. are $190.00 (7 credits per day). Physician Assistants, Nurse Practitioners and EMS would be $420.00. Individual days from Mon-Thurs. are $105.00. These fees include continental breakfast and lunch. Registration is limited on a first-come, first-served basis and cannot be confirmed without tuition fee. Refunds for extended programs - 90% of the fee will be refunded if written cancellation is post-marked at least ten days before the program date.
