Upon completion of this program, participants should be able to:
• Review the examination findings for sacroiliac joint disease and the indications for sacroiliac joint fusion.
• Discuss the updates for medical uses of marijuana and state approval in PA.
• Understand the basic principles of RF (radiofrequency) neurotomy and the anatomic issues associated with RF needle placement.
• Review of SI joint anatomy and dysfunction.
• Discuss changes to anesthesia practice caused by evolving efficiency standards under PPACA.
• Review current practice and the Standard of Care for dual patient anesthesia management during emergency situations.

CONTINUING EDUCATION CREDIT:
Physicians: “The Philadelphia College of Osteopathic Medicine has requested that the AOA Council on Continuing Medical Education approve this program for five AOA Category 1-A CME credits. Approval is currently pending.” Sign-in and full day attendance of program is required for credit. All faculty participating in continuing medical education programs sponsored by PCOM are expected to disclose to the program audience whether they do or do not have any real or apparent conflict(s) of interest or other relationships related to the content of their presentation(s).

PARKING: On-campus parking is available in our garage, please enter on Stout Road. All-day parking is $5.00. Please note: the automated gate takes quarters or one, five, ten, and twenty dollar bills. The garage is now equipped to receive credit card payments (Visa, Master Card and Discover) at the two exit gates. Additionally, receipts are now available for those paying by cash or credit card. Enter Evans Hall through the front entrance across from the parking garage.

FEE POLICIES: Physicians $140.00, Physician Assistants and other Health Care Professionals, $95.00. Registration fees for Saturday and Sunday programs are not refundable, nor can they be credited to future programs.

EMERGENCY MESSAGES: Call PCOM Rowland Hall Security Desk at (215) 871-6351 ask the guard to transfer your call to ext. 5350 which is the phone in Evans Hall.
