FEBRUARY 27 – MARCH 2, 2017
EVANS HALL – ZEDECK AMPHITHEATER – 4170 CITY AVENUE, PHILADELPHIA, PA

ADVANCED EMERGENCY MEDICINE
JOHN W. BECHER, DO, FACOEP-D, FAAEM – PROGRAM CHAIRMAN

OBJECTIVE
Upon completion of this program, participants will acquire an updated understanding of current diagnosis, intervention and treatment of medical circumstances arising from pulmonary disorders including pneumonia in all age groups, pulmonary diffusion capacitance, pulmonary fibrosis, thromboembolic disease, and psychiatric disorders including medical clearance, suicide, acute psychiatric manifestations of toxicologic syndromes, psychological counter terrorism, and challenging acute and atypical presentations to the ED, alternatives to opioid prescribing, and updates of seizure guidelines and severe sepsis will be discussed. Additionally ED management of dermatologic emergencies including manifestations of poisons, Stevens Johnson syndrome and atypical rashes, and epidemic infections will be presented. Additional presentations will include ultrasound guidance to crack the chest, ED billing, healthcare environment changes, emergency medicine career planning, and risk management topics related to ED high risk cases, ED documentation, HIPAA and challenging cases from current emergency medicine practice.

CONTINUING EDUCATION CREDIT
Physicians: “The Philadelphia College of Osteopathic Medicine has requested that the AOA Council on Continuing Medical Education approve this program for twenty-eight hours of AOA Category 1-A CME credits. Approval is currently pending.” Program approved by the American College of Osteopathic Emergency Physicians. Sign-in and full day attendance of program required for credit. All faculty participating in continuing medical education programs sponsored by PCOM are expected to disclose to the program audience whether they do or do not have any real or apparent conflict(s) of interest or other relationships related to the content of their presentation(s).

PARKING
On-campus parking is available in our garage; please enter on Stout Road. All-day parking is $5.00. PLEASE NOTE: the automated gate takes quarters or one, five, ten, and twenty dollar bills. The garage is now equipped to receive credit card payments (Visa, Master Card and Discover) at the two exit gates. Additionally, receipts are now available for those paying by cash or credit card. Enter Evans Hall through the front entrance across from the parking garage.

FEE POLICIES
Tuition Fee of $780.00 for Physicians. Individual days from Mon-Thurs. are $195.00 (7 credits per day). Physician Assistants, Nurse Practitioners and EMS would be $440.00. Individual days from Mon-Thurs. are $110.00 and Residents $50.00 per day. These fees include continental breakfast and lunch. Registration is limited on a first-come, first-served basis and cannot be confirmed without tuition fee. Refunds for extended programs - 90% of the fee will be refunded if written cancellation is post-marked at least ten days before the program date.
