## CONTINUING EDUCATION CREDIT

### Accreditation Statements:

**AOA Credit:** The Philadelphia College of Osteopathic Medicine is accredited by the American Osteopathic Association of medical education for physicians. The Philadelphia College of Osteopathic Medicine designates this program for a maximum of 8 hours of AOA Category 1-A credits and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

## TWO WAYS TO RECEIVE AOA CREDIT:

• **8 HOURS OF AOA CATEGORY 1A CREDIT IF ATTENDED LIVE OR VIEWED ON-DEMAND BY FEBRUARY 19TH**

• **8 HOURS OF AOA CATEGORY 1B IF WATCHED ON-DEMAND AFTER FEBRUARY 19TH. (ONE CREDIT HOUR FOR EACH HOUR OF CONTENT REVIEWED)**

### ACCME Credit:

2023 Pediatric Update for the Primary Care Physician:

Accreditation Statement: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Pennsylvania Medical Society through the joint providership of Main Line Health and The Philadelphia College of Osteopathic Medicine. Main Line Health is accredited by the Pennsylvania Medical Society to provide continuing medical education for physicians. Credit Designation Statement: Main Line Health designates this live educational activity for a maximum of eight (8) AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the educational activity. Conflict of Interest Statement: Faculty and all others who have the ability to control the content of continuing medical education activities sponsored by Main Line Health must disclose to the audience any financial relationships with ineligible companies within the prior 24 months. Speakers must also disclose discussions of unlabeled/unapproved use of drugs or devices during their presentations. Disclosures: Doctors Langenau, Price, Dye, Contrucci, Tung, Kanze, Patel and Lee has disclosed: No relevant financial relationships with ineligible companies. Doctor Langenau (Activity Director, Planner and Content Reviewer) and Trish Levy (CME Manager) have signed disclosure statements for their role as 2023 Pediatric Update for the Primary Care Physician Planning Committee Members and have no relevant financial relationships with ineligible companies to disclose. There is no commercial support for this program.

## CONTINUING EDUCATION CREDIT

Understand social media's role in disseminating misinformation, disinformation, and mal-information about vaccines

Recognize Covid-19's contribution to vaccine hesitancy /refusal

Establish proactive framing strategies to successfully counteract anti-vaccine

Recognize common neonatal and childhood rashes

Describe the pathophysiology, clinical presentation and treatment of common pediatric rashes

Distinguish benign rashes from conditions that require further diagnostic and therapeutic interventions and specialist referral

Identify and manage respiratory distress in the office

Discuss being comfortable in the treatment of croup, bronchiolitis, and asthma in the office setting

Know how to manage and treat anaphylaxis

Advise the office on the appropriate emergency medications and equipment

Outline the lethal impact of gun violence in America, on children in particular and, society as a whole

Describe the relationship between gun ownership and the risk of child injury/domestic violence

Summarize key legislation addressing gun violence

Review osteopathic manipulative techniques pertinent to treating structural findings associated with tongue tie that can be easily implemented into pediatric practice

Examine key points to 2020 NIH Asthma Management Guidelines

Describe conditions that should prompt more attention and cardiology evaluation for children prone to having a sudden cardiac arrest (SCA) or sudden cardiac death (SCD)

Identify and describe ankyloglossia in infants and children

Evaluate the anatomy/physiology of oral/facial development

Discuss the implications of unidentified ankyloglossia in oral/motor and facial development
